No one plans on getting injured, but just in case, we've got you covered.

You do everything you can to stay active and healthy, but accidents happen every day, including sports-related accidents. An injury that hurts an arm or a leg can hurt your finances too. That's where Accident Insurance can help.

Accident Insurance pays cash benefits directly to you, regardless of other coverage you have.

Coverage Features

- Guaranteed Issue with no health questions
- Guaranteed renewable for life
- No exclusions or pre-existing conditions
- Employee, spouse and child coverage available
- Portability allows you to keep this coverage if you change employers or if benefits are no longer available to you.

First Accident Package

Sports Package

Your benefits increase 25%, up to \$1,000 per person, for injuries resulting from participating in organized sports! Playing sports can lead to injuries and unwelcome expenses. We'll increase your benefits to help pay for those expenses.

Wellness Benefit

To promote good health, this pays a \$100 benefit for each covered person once per year when they have a defined annual health screening or test, following a 30 day waiting period. **Only applies to Plan 2 (24 hour plan).**

Rehabilitation Package

We pay cash benefits for admission, daily confinement and recovery. Whether you are released to a rehabilitation center following a hospital stay or you recover at home, we pay a daily recovery benefit to help with your transition.

This claim scenario is hypothetical and is offered solely to illustrate the types of situation that may result in a claim. This scenario is not based on an actual claim and should not be compared to an actual claim. Whether or to what extent a particular loss is covered depends on the facts and circumstances of the loss, the terms and conditions of the policy as issued and applicable law. Refer to the certificate of insurance for details.
